WORK EXPERIENCE

General Dentist

2023 - 2025

Zoom36 Dental Care, Abuja, Nigeria

- Assisted senior dentists during procedures including extractions and restorations
- Prepared patients and treatment rooms following hygiene protocols
- Sterilized instruments and maintained a clean, safe clinical environment
- Used the itero 5d scanner to scan patients for Invisalign clear aligners treatment
- Maintained accurate patient records using EMR systems
- Provided emergency dental care and support during surgeries

Dental Officer

2022 - 2023

Federal Road Safety Corp, Abuja, Nigeria

- Developed treatment plans and provided direct care as part of an interdisciplinary team in outpatient settings mostly for the geriatrics paediatric dental patients
- Managed cases of acute and chronic dental conditions including dental emergencies under the guidance of a supervising consultant.
- Counselled patients and relatives about dental conditions, treatment options and preventive care.

Postgraduate Rotational Intern

2021-2022

University of Port Harcourt Teaching Hospital, Nigeria

- Rotated across multiple dental departments providing chairside support
- Documented patient data and assisted in minor and major oral surgeries
- Managed instrument preparation and sterilization
- Gained experience in pediatric and geriatric dental care
